

Mission:

Quality healthcare for those in need

Vision:

To improve the health of the community by providing quality health care services and to empower our volunteers to have a positive impact on the lives of those we treat

Opened on Oct. 25, 2007, the Live Oak Clinic is non-urgent, primary healthcare facility for the working poor and uninsured in our community. The clinic is a privately funded non-profit facility. What is unique about the Clinic is that it is staffed entirely by **volunteers**.

Fast Facts

Services:

Approximately 50 volunteers run the clinic. These volunteers include physicians, physician assistants, a pharmacist, a pharmacy tech, RNs, student nurses, interpreters and countless support staff.

The Clinic is open most Thursday evenings to fill a much needed gap in healthcare services.

Prescriptions for medications, limited lab and imaging services, health education and social service referrals are available to all patients as needed.

Approximately 500 patient visits were provided in each of the 2 years of service.

More than 1,000 volunteer hours were provided in the each of the 2 years of service.

Funding:

The Clinic is a private non-profit tax exempt organization. We are funded solely by individuals, businesses & community groups.
